Teerapong Cheepchol appointed as Managing Director at Werum IT Solutions Thailand

Lüneburg, Germany / Bangkok, Thailand, 30 October 2019 – On 1 October 2019, Teerapong Cheepchol (Jack) assumed his new position as Managing Director of Werum IT Solutions Ltd., Thailand. He succeeds David Margetts.

Teerapong Cheepchol looks back on more than twelve years of experience in the pharma industry and Manufacturing Execution System (MES) business. In his previous role, he served as Deputy Managing Director and Operations Director of Werum IT Solutions Ltd., Thailand, where he was responsible for service delivery and business administration since the opening of Werum's Asian hub in 2016. He had an active role in overseeing the company's overall business operations. Moreover, Teerapong Cheepchol was involved in strategic planning and organizing the company's activities to achieve its goals while building a strong team in Asia to provide high-quality service to its customers.

"We are very excited to have Teerapong Cheepchol taking on the role of Werum Asia's Managing Director," says Jens Woehlbier, CEO of Werum IT Solutions GmbH. "He is best suited to guide and expand our business in the APAC region. Under Teerapong's dedicated leadership, Werum Asia will further develop the local team and strengthen existing relationships with its customers and partners. We wish Teerapong great success in his new position."

At the same time, Jens Woehlbier thanked David Margetts for successfully managing Werum Asia: "David Margetts has done a great job in expanding our Asian business. We wish him and his family all the best in their future endeavors."
